Subject: Request Missing Docs

Hi Jenae: Charissa Bujak and I had a discussion earlier today and we noticed that there are two documents that we need and don't appear to have in the previous information that the Corps sent EPA. Rather than wait for EPA to send the weekly Go Anywhere link, can you just send the two letters directly to me (the letters should not be large).

The letters we are looking for are dated September 18, 2020 and September 22, 2020 and are from the Corps to Electron. We have the emails with those dates and have attachments associated with those two dates..... However, we do not have the actual letters that were apparently included in the email from the Corps to Electron.

Thank you, and feel free to reach out if you have any questions.
